December 2016

Thank You For A Record-Setting Year!

2016 has been a record-setting year for Morcon thanks to you, our valued customers. We saw the launch of new products, machinery, processes, and our website.

Looking ahead to 2017, we are excited for continued growth, with added napkin capacity (a new tallfold machine), new product introductions and even better service!

We are also excited to return to ISSA for the Las Vegas show. We hope to see you there!

We appreciate your loyalty and continued business. We wish you and your families a very happy holiday season.
