## 10-Inch Towel: The Newest Addition To Morcon's Growing Family Of Products

Just in time for the busy summer season, we've added three new 10-inch hardwound towel products to our comprehensive product list. The **VT106** 10-inch TAD Hardwound Towel joins our Valay™ line, offering excellent durability, softer feel, and a sleek hands-free dispenser tailor-made for deli counters, cafeterias, sports stadiums, and high-end restrooms – where appearance matters. The extra footage means fewer changeovers and labor cost savings.

The **W106** and **R106** 10-inch towel products, available beginning May 15<sup>th</sup>, are great options for our customers who buy in bulk and need a hard-working towel at a great value.
